## PCKC 2007 Activities

The year was launched with the annual PCKC Winter Boat Show Party on Saturday, January 20 at the Lake Point Condominium on Lake Calhoun where Al Frisch's mother has a condominium. We had around 25 attendees and both food and fellowship were great.

A membership/renewal application was sent with the winter letter and the response was most positive. We received more than 25 applications/renewals with checks in the ensuing two weeks.

PSMA held a Launch Lunch on May 5 to officially start the season which was attended by many PCKC members. Fortunately the weather cooperated splendidly.

Then on May 12 PCKC sponsored the first of their two Launch Lunches. It was breezy and cool so it was held in the clubhouse but most dined outside in the sunshine and attendance was good. It's supposed to get warmer as May progresses but our May 12 Launch Lunch was again held in the clubhouse in bonechilling fog, rain and wind. We didn't have so many attendees as a result of the weather but everyone appreciated the hot Italian Beef and many lingered, enjoying the warmth of the room.

As usual the PCKC Launch Lunches were free to members so we picked up several new conscripts as well as many who brought their membership up to date.

## From the Commodore

Another season is coming to an end and it's time to start planning for another. We all love the water and sailing/boating. I believe our little corner of the world where Pike's Creek flows into Lake Superior is one of

the best. The air and water are the cleanest. The Apostle Islands offer a superb sailing area.

I'm inviting you to participate in our club events. PCKC offers a venue for us to get together, socialize, and learn. We have a couple of events that are right around the corner.

The first on the agenda is our annual fall get-together and business meeting Saturday Oct 6 at 8:30 AM. The most important part of this meeting will be to elect officers for the upcoming season. I will not be seeking the office of Commodore. Four years is enough. Someone else should have the opportunity. I however, am going to declare myself as a candidate for Vice-Commodore. I believe I can ably assist the new commodore in planning and getting things done.

Please plan to attend this meeting! Refreshments and socializing will be first on the agenda but you should be there for the meeting! If you want to be an officer; no, make that: if you would consider being a PCKC officer, please email one of the current officers with your desires.

If you want to participate in putting on any of our events, Please Indicate so. We have our Chili Feed Oct 20. Our winter party hopefully will again be held in January in conjunction with the Minneapolis Boat Show. Then we will again have our spring Launch Lunches. It's already time to plan for spring!

I've enjoyed being Commodore for these past four years. At times I've suffered from the "complacency disease" that afflicts so many of us. I encourage the new Commodore and am optimistic that the future will offer more activities and events in which all can participate.

May your wind be fair and seas calm.

*Commodore Al*
